**SECOND AMENDED LIST OF CREDITORS AND CLAIMS,
PURSUANT TO SECTIONS 924 AND 925 OF THE BANKRUPTCY CODE**

The City of Detroit, Michigan (the "City") hereby submits its second amended list of creditors (the "Second Amended List of Creditors"), pursuant to section 924 of title 11 of the United States Code (the "Bankruptcy Code").

This Second Amended List of Creditors also constitutes the City's list of claims under section 925 of the Bankruptcy Code.

Background

1. On July 18, 2013 (the "Petition Date"), the City filed a petition for relief in this Court, thereby commencing the largest chapter 9 case in history.

2. On the Petition Date, the City filed its List of Creditors Pursuant to Section 924 of the Bankruptcy Code and Bankruptcy Rule 1007

(Docket No. 16) (as amended, the "List of Creditors"), identifying the City's known potential creditors according to its books and records.

3. On August 1, 2013, the City filed the Amended List of Creditors Pursuant to Section 924 of the Bankruptcy Code and Bankruptcy Rule 1007 (Docket No. 258) (the "Amended List of Creditors"), which amended the information in the List of Creditors.

Second Amended List of Creditors

4. The Second Amended List of Creditors supplements and amends the information in the List of Creditors and the Amended List of Creditors. The Second Amended List of Creditors also includes the information contemplated by section 925 of the Bankruptcy Code regarding the potential amounts of claims against the City's various governmental, proprietary and fiduciary funds (collectively, the "Funds"), as qualified by the assumptions, explanations and reservations of rights set forth below (the "Global Notes").

5. The Second Amended List of Creditors divides the City's potential creditors and claims into 15 separate schedules (collectively, the "Schedules"), as follows:

Schedule	Classification
A	Long-Term Debt
B	Trade Debt
C	Employee Benefits

Schedule	Classification
D	Pension Obligations
E	Non-Pension Retiree Obligations
F	Active Employee Obligations
G	Workers' Compensation
H	Litigation and Similar Claims
I	Real Estate Lease Obligations
J	Deposits
K	Grants
L	Pass-Through Obligations
M	Obligations to Component Units of the City
N	Property Tax-Related Obligations
O	Income Tax-Related Obligations

6. The foregoing classifications are used for convenience of presentation and are not intended to be, and shall not be deemed to be, dispositive of the nature of any particular creditor claim or obligation listed on any schedule.

7. These Global Notes are expressly incorporated by reference in, and comprise an integral part of, the Second Amended List of Creditors, and should be referred to and reviewed in connection with any review thereof.

8. The identification herein of any creditor or claim amount does not constitute an admission by the City that it has any ongoing liability to any party.

9. Unless otherwise stated on Schedule A with respect to certain long-term debt and related obligations, all claims listed in the Second Amended List of Creditors are general unsecured claims. With respect to any secured claims

identified by the City, the value of the collateral, if any, securing the claim and the amount of any deficiency claim is undetermined, and the City reserves all of its rights with respect thereto.

10. The City historically has closed its books as of June 30 of each year — the end of the City's fiscal year — and not more frequently. The audit process is complex and takes approximately six months to complete. Delays in invoicing, reconciliation or accounting for outstanding invoices and payments in the City's financial systems also impact the amounts identified in the City's books and records at any given point in time. Accordingly, in many cases, the City cannot be certain that it has identified its precise liability to a specific creditor as of the Petition Date, and reserves all rights related thereto.

11. In addition, the City may have satisfied certain prepetition claims identified in the Second Amended List of Creditors in whole or in part since the Petition Date (which payments may not yet be reflected in the City's financial systems) or may satisfy such claims in whole or in part in the future, particularly with respect to certain trade claims relating to goods and services essential to the health, safety and welfare of the City's residents. In certain cases, therefore, the City has identified claims – including all trade claims on Schedule B – as contingent, unliquidated and/or disputed out of an abundance of caution.

12. Pursuant to applicable Michigan or federal law and sections 903 and 904 of the Bankruptcy Code, the proceeds of certain of the Funds (collectively, the "Special Use Funds") may not be used to satisfy the City's general obligations. Moreover, the claims of certain of the creditors identified herein are payable only from one or more Special Use Funds. The City has included these claims and creditors in this Second Amended List of Creditors in the interests of full disclosure and reserves all of its rights with respect to these issues.

13. To ensure confidentiality of personal information, address information for all of the City's active employees and retirees has been redacted from each schedule in the Second Amended Creditor List. The City is prepared to file an unredacted version of the Second Amended Creditor List under seal if requested by the Court.

Summary of Schedules

14. The Schedules are preceded by a summary (the "Summary of Schedules") that identifies, with respect to each Schedule, the aggregate estimated amount of the claims therein (if known) and the percentage that these liabilities represent of the City's total estimated liabilities on all of the Schedules.¹ Although the City has estimated the aggregate claim for unfunded actuarially accrued

¹ Note that certain potential unliquidated claims have not been estimated or included in the figures contained in the Summary of Schedules.

Related Relief (Docket No. 17) (the "9019 Motion"). By the 9019 Motion, the City sought: (a) authorization to assume that certain Forbearance and Optional Termination Agreement among (i) Detroit General Retirement System Service Corporation, (ii) Detroit Police and Fire Retirement System Service Corporation, (iii) the City, (iv) UBS AG and (v) Merrill Lynch Capital Services, Inc. (the "Forbearance Agreement") pursuant to section 365(a) of the Bankruptcy Code; and (b) approval of the Forbearance Agreement pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure.

19. Consistent with certain of the City's commitments under the Forbearance Agreement, the City has scheduled all liabilities under the Swaps as noncontingent, secured and undisputed and the COPs as noncontingent, liquidated and undisputed. In the event that the Court does not grant the relief requested in the 9019 Motion or the City's commitments otherwise terminate, however, the City reserves all of its rights to amend the manner in which the COPs and Swaps are listed on Schedule A.

Schedule B — Trade Debt

20. The City has endeavored to account for all outstanding prepetition invoices owed to its trade creditors. Due to the volume of invoices, the size and complexity of the City's operations, delays in the applicable billing cycles, the backlog of data input with respect to the City's financial systems and other

factors, the City continues to identify and reconcile prepetition invoices.

In addition, as noted above, the City may have satisfied some or all of its prepetition obligations to certain trade creditors since the Petition Date, or may do so in the future, which payments are not reflected in Schedule B. In addition, the amounts identified as liabilities of the City on Schedule B may include the amounts of checks that the City has issued but the applicable payee has not yet deposited. For these reasons, out of an abundance of caution, the City has categorized each of the obligations identified on Schedule B as contingent and unliquidated.

Schedule C — Employee Benefits

21. Schedule C identifies each of the third-party administrators of the City's employee benefit plans (collectively, the "Benefit Plans"). The City has categorized each of the obligations identified on Schedule C as contingent and unliquidated because (a) the City may have satisfied in whole or in part certain prepetition amounts owed under the Plans since the Petition Date and (b) a final determination of the City's outstanding obligations under each of the Benefit Plans as of the Petition Date remains subject to reconciliation by the City, including certain ordinary course adjustments and true-ups that may be necessary in the future.

Schedule D — Pension Obligations

22. Schedule D identifies the City's UAAL with respect to each of its two pension systems — the General Retirement System of the City of Detroit and the Police and Fire Retirement System of the City of Detroit (together, the "Pension Systems"). The UAAL amounts identified: (a) are consistent with figures used in the Creditor Presentation; and (b) are subject to the assumptions, limitations, caveats and conditions set forth therein. See Creditor Presentation at 98.

Schedule E — Retiree Obligations

23. Schedule E identifies the City's retirees, many of whom possess an unliquidated, contingent OPEB Claim against the City. As noted above, the City is not able to determine the estimated OPEB Claim on a retiree-by-retiree basis and therefore has listed each retiree claim in an unknown amount.

24. Note that the retiree's pension claims are paid through the pension systems. The estimated UAAL claims owed by the City to the Pension Systems are identified on Schedule D and therefore are not included in Schedule E.

25. For the avoidance of doubt, any claims other than OPEB Claims that may be raised by individual retirees against the City would be disputed.

26. As noted above, address information for retirees has been redacted.

Schedule F — Active Employee Obligations

27. Schedule F identifies the City's active employees. Since the Petition Date, the City has paid, and intends to continue to honor and pay, all current accrued obligations for wages and salaries, including earned vacation, severance and sick-leave pay and contributions to employee benefit plans. Accordingly, except as specifically identified elsewhere in this Second Amended List of Creditors, the City believes that it has satisfied or will satisfy all prepetition claims of active employees for such current liabilities.

28. Many active employees hold an unliquidated, contingent OPEB Claim against the City. As noted above, the City is not able to determine the estimated OPEB Claim on an employee-by-employee basis and therefore has listed each employee claim in an unknown amount.

29. As noted above, address information for active employees has been redacted.

Schedule G — Workers' Compensation

30. The City continues to process workers' compensation claims and satisfy awards in the ordinary course. Schedule G identifies each of the parties asserting unresolved prepetition workers' compensation claims against the City.

Because the claims identified on Schedule G have not been established, they are listed as contingent, unliquidated and disputed.

31. To protect their personal information, the addresses for these creditors have been redacted.

Schedule H — Litigation and Similar Claims

32. Litigation claims against the City are identified on Schedule H. Demands made to the City short of litigation also are listed on Schedule H. All such claims are identified as contingent, unliquidated and disputed.

Schedule I — Real Estate Lease Obligations

33. The City has identified its unexpired real property leases (collectively, the "Leases") on Schedule I. The City continues to reconcile its obligations under each of the Leases as of the Petition Date; therefore each of these claims is listed as contingent and unliquidated.

Schedule J — Deposits

34. The City holds cash deposits (collectively, the "Deposits") from various parties that may be returned to the depositing party or transferred to a third party under appropriate circumstances pursuant to the terms of governing rules, ordinances, regulations and agreements. All of the amounts identified in Schedule J are listed as contingent and unliquidated because, in each case, the

applicable creditor may or may not satisfy the conditions necessary for return or transfer of some or all of the Deposit.

Schedule K — Grants

35. Schedule K sets forth the City's potential obligations arising from grants provided by various federal agencies (collectively, the "Grants"), either directly or through various state agencies. The Grants at issue generally take the form of advances for expenditures to be made by the City in the future. The City may be required to repay a Grant in whole or in part if, for example, (a) not all of the applicable Grant funds are spent or applied to the specified purpose within the timeframe or other parameters of the Grant or (b) the City fails to satisfy other regulatory requirements or conditions relating to the Grant. Accordingly, these claims are scheduled as contingent and unliquidated.

Schedule L — Pass-Through Obligations

36. Schedule L identifies amounts (collectively, the "Pass-Through Amounts") relating to certain property-tax payments collected by the City on behalf of, and that are payable to, other governmental entities (collectively, the "Recipients"). The City transfers these amounts to the Recipients in the ordinary course of business, and will continue to do so, subject to any rights of the City with respect thereto. As such, the City believes that the Pass-Through Amounts will not give rise to any claim held by the Recipients. Nevertheless, out

of an abundance of caution, the City has included the Pass-Through Amounts in this Second Amended List of Creditors as contingent and unliquidated claims.

Schedule M — Obligations to Component Units of the City

37. Schedule M identifies the component units of the City (collectively, the "Component Units"), which are legally separate entities for which the elected officials of the City are financially accountable. City of Detroit, Michigan Comprehensive Annual Financial Report for the Fiscal Year Ended June 30, 2012 at 16. The City's prepetition interfund obligations to its Component Units are identified as unliquidated on Schedule M because they remain subject to reconciliation until the conclusion of the current fiscal year.

Schedule N — Property Tax Related Obligations

38. The City's books and records reflect potential open items spanning many years relating to the payment of property taxes with respect to various parcels of real property (collectively, the "Parcels"). In each case, the City lacks supporting information relating to the existence of any actual claim or the identity of any party that may hold or assert any such claim. Accordingly, out of an abundance of caution, the City has listed these potential obligations on Schedule N, alphabetically by street address of the applicable Parcel, as contingent, unliquidated and disputed claims.

Schedule O — Income Tax-Related Obligations

39. Information regarding the City's income tax refunds is confidential under applicable state law and local ordinances and cannot be disclosed absent a proper judicial order without incurring civil and/or criminal penalties. See M.C.L. § 141.674; Detroit City Code § 18-10-16. As a result, this information has not been available to the City's professionals preparing the Second Amended List of Creditors and is not included therein. By a motion filed on September 3, 2013 (Docket No. 706) (the "Tax Data Motion"), the City requested that the Court enter an order authorizing and directing City officials to release information identifying income tax refund claims and the applicable creditors to the City's professionals, the Emergency Manager and certain other parties. On September 25, 2013, the Court entered an order (Docket No. 1021) granting the relief requested in the Tax Data Motion, thereby authorizing City officials to release the requested data to the City's professionals. Consistent with the terms of the Court's order, once the relevant information needed for Schedule O has been provided to the City's professionals, Schedule O will be prepared and filed under seal as part of a further amendment or supplement to the Second Amended List of Creditors.

40. Notwithstanding the foregoing, the City (a) has continued to process income tax refunds, (b) has been paying income tax refund claims in the

ordinary course and (c) intends to continue processing and paying income tax refund claims in the future.

Reservation of Rights

41. The City reserves all of its rights with respect to this Second Amended List of Creditors, including without limitation the right under Bankruptcy Rule 1009 to further amend, modify or supplement this Second Amended List of Creditors as a matter of course at any time before the City's chapter 9 case is closed.

42. The City files this Second Amended List of Creditors without prejudice to or waiver of its rights pursuant to section 904 of the Bankruptcy Code, and nothing herein is intended to, shall constitute or shall be deemed to constitute the City's consent, pursuant to section 904 of the Bankruptcy Code, to this Court's interference with (a) any of the political or governmental powers of the City, (b) any of the property or revenues of the City or (c) the City's use or enjoyment of any income-producing property.
